

Platinum Jewellery at the Primetime Emmy Awards 2015

Hollywood's biggest television stars celebrated their achievements wearing platinum jewelry at the 67th Primetime Emmy Awards and related parties this evening. Emmy Nominated actress Elisabeth Moss said of her look.

“I wanted to go for Hollywood glamour as an ode to the end of Mad Men. I love how (my stylist) Karla (Welch) stacked my vintage Beladora platinum bracelets on one wrist.

I wore 7 bracelets for my 7 Emmy nominations. And, I love how platinum makes the diamonds sparkle!" Stylist Jessica Paster who worked with Emmy Nominated actress Lena Headey for tonight's red carpet look said "I love platinum jewelry since it brightens every outfit and makes it come to life.

I also love platinum because it's very versatile." Jessica styled Lena with platinum jewelry from Harry Kotlar.

A-list celebrities chose to showcase their jewels in naturally white platinum settings that truly enhance the brilliance of diamonds and colored gemstones.

Platinum jewelry is the choice accessory for celebrities to capture the most special, glamorous and memorable moments.
