

# London Paris New York Preview

London Paris New York is a film that captures the angst of the twenties, the most dramatic period of one's life – when you have to find a career, you have your first significant relationship and most importantly form your identity in this world.

This is story about Lalitha, a middle class south Indian girl from Chembur(an eastern suburb in Mumbai) who is on her way to New York to study politics with full scholarship, and Nikhil, a Punjabi, rich kid from Bandra (a posh western suburb of Mumbai )who is going to study Film Making in London on 100% dad's money. They decide to hangout together one evening in London and find that they are completely drawn to each other even as their future lies on separate continents.The film follows their personal journey and their love story as they meet in London, Paris and New York for a night each over eight years. The film is in three chapters and each chapter is shot in a manner that mirrors the mental state of Nikhil and Lalitha.

Directed by Anu Menon & produced by Shrishti Arya & Goldie Behl in collaboration with 20th Century Fox, this romantic comedy stars Ali Zafar and Aditi Rao Hydari and releases on March 2, 2012 in theaters near you.
