My Best friend and Me also found a way to give back to the society that has accepted it with open arms by allotting a section of free space to NGO's to display and sell their products. It kept its pledge to support and provide an exclusive platform to the NGO's and helped them raise funds for the upcoming festival. This attempt by the organizers to contribute generously and try to light Diwali for the unprivileged ones is highly commendable. This Diwali Extravaganza was a unique attempt to celebrate the upcoming festivities and take home style and luxury.
